

SAD DEATH.

Mrs. C. D. Russell Suddenly Summoned to Appear Before Her Creator.

Only a Few Short Hours Ago, All Was Bright and a Long and Happy Life Seemed Hers.

Mrs. C. D. Russell died in child-birth about 9:30 o'clock this morning. Her death was a shock to the whole community. She was formerly Miss Nannie Ryan Burgess, daughter of Mr. Joshua Burgess, who with his family moved to Maysville from the Fern Leaf neighborhood several years ago. Her death, so sudden and untimely, has cast a gloom of sadness over her large circle of friends and acquaintances, who loved and admired her for her many graces of mind and manner. She will be remembered as the fair bride, who was happily married to her surviving husband, Mr. C. D. Russell, at the Christian Church February 10th, 1892.

Life gave to none perhaps a brighter vision of long future years of devoted love and happiness than to her, and her death is one of peculiar and distressing sadness.

Her devoted family and sorrow-stricken husband have the sincere sympathy of all in their great grief.

Notice of the funeral will be given to-morrow.

MRS. T. C. CAMPBELL DEAD.

She Passes Quietly Away After a Long and Painful Illness.

Again we are called upon to chronicle the death of one of Maysville's christian women. This time it is Mrs. Thaddeus C. Campbell, who died last evening at her home on Fourth street, after a lingering illness. She was formerly a Miss Jackson, of Cynthiana, Ky., and was a member of a prominent family of Jacksons of that section. She had been in feeble health for some months, but endured her afflictions with the rare patience and fortitude of a true christian woman. She was a noble woman, true wife and kind, indulgent mother.

Her husband is one of the leading members of the Mason County Bar, and to him and their children the sympathy of their friends is tendered in the sorrow that has befallen them.

The funeral will be held at 10 o'clock to-morrow (Wednesday) morning at the family residence.

PATRICK SAMMONS,
JOS. CRAWFORD,
J. L. TODD.

MONDAY morning, July 31, William H. Pugh, residing with his wife and six children at 522 East Front street, Cincinnati, left home, presumably to go to the grocery, and since then nothing has been heard of him. He is forty years old, about six feet tall and very slender, and has been in poor health for the past four years.

OUR readers will notice Dr. Appleman's large advertisement in this issue. The Doctor is a specialist of renown and has a record in the State that he gained by good work. The Doctor is a graduate of Bellevue Hospital Medical College, New York City, the best in America. He spent years in the city preparing himself for his specialties and is thereby prepared to treat those diseases understandingly and intelligently. Consult him at Central Hotel Thursday and Friday next.

"UNCLE" TOMMIE WILLIAMS celebrated his eighty-third birthday at his home, southeast of this city, last Wednesday. The following guests were present: Mr. and Mrs. Enser, of Plainville, Mr. and Mrs. R. H. Williams, Mrs. Dora Sweet, neighbors, Mr. and Mrs. Wilson Case, of Bernard, and Mrs. Clinton Edgington, of Stoney Hollow. The day was spent pleasantly and it is the wish of those who were present that "Uncle" Tommie may live to spend many more anniversaries.

MR. HENRY WALLER, of Chicago, a former resident of this city, having removed to the former place in 1859, died at his home last week at the age of eighty-two years. He had been very prominent in that city until within a few years, when reverses overtook him, he having been reported very wealthy at one time. He was raised at Lexington, and married a Miss Langhorne, of this county, who died in Chicago several years ago. Rev. Maurice Waller, now of Lebanon, and who married a daughter of Colonel C. A. Marshall, of this county, was a son, and beside him he left other sons and daughters. He had three brothers, men of wealth and influence in Chicago, who died within a few years. There is only one member of the family now living—his sister, Mrs. Leeks, of New York City, a well known and very wealthy lady, who has adopted and raised several young ladies belonging to families of high social position, among them being the daughter of General John C. Breckinridge, and now the wife of Anson Maltby, a lawyer of New York City. We are not advised whether his remains will be brought to this city for final interment or not, but we think his wife was buried here.

THE capacity of a watch for keeping good time is very much governed by its construction and its more or less perfect finish. Ballenger, the jeweler, has the very best to be had anywhere, and he guarantees them to be just as represented. Try him when you want anything in his line.

IT is said that a new line of steamers is to be established between Cincinnati and New Orleans. The John K. Speed, the New South and the Buckeye State are mentioned in this connection. They will leave Cincinnati every Thursday and make twenty day trips. They will run on schedule time.

WHAT can be more pleasant after these warm days than a delightful evening ride on the steamer Lorraine? She leaves the wharf on Tuesdays and Fridays at 7 p. m., standard time, making the run up and down in front of city—a ride of over seven miles for the sum of 10 cents. Go down this evening and try one.

NOW is your chance for a bargain. I have just bought from the manufacturer a large line of watch cases and movements 15 per cent. less than price. I have marked these goods in proportion. Gold, gold filled and silver cases for ladies and gentlemen, at P. J. Murphy's, the jeweler, successor to Hopper & Murphy.

ELECTRIC RAILWAY.

Every Assurance That This Important Thoroughfare Will be Built in the Near Future.

The following is taken from the Mt. Olivet Advance: "We are assured by a gentleman who has given much time and thought to the enterprise, that the Maysville and Mt. Olivet Electric Railway will be chartered and necessary steps taken to secure its construction as soon as the financial condition of the country becomes settled, which will not be a great while.

"The fight now on, which route will the road take, Germantown or Murphysville? Both routes have strong backing, with chances so far favorable to Germantown.

"Either route will give the people of Robertson that which they have long sought and prayed for—an outlet to the outside world.

"Further along we will dwell upon the manifold benefits that will accrue by the construction of this road.

"In the meantime, while things look gloomy enough, let us be exceedingly glad that a silver lining tinges the clouds that seem to overshadow us."
